Your Directors consider that the resolutions are in the best interests of the Company and its shareholders. Accordingly, your Directors unanimously recommend shareholders to vote in favour of each of the resolutions to be proposed at the AGM, as they intend so to do in respect of their own beneficial holdings in the Company.

A Form of Proxy is enclosed for use by shareholders who may be unable to attend the AGM and who wish to nominate a proxy to act on their behalf. You are asked to complete and sign it in accordance with the instructions printed thereon and return it to the Company’s Registrars no later than 10.00am on 29 October 2009. Completion and return of the Form of Proxy will not preclude you from attending the AGM and voting in person, if you wish.

Yours sincerely

David Cleveley FREng

EXPLANATORY NOTES ON RESOLUTIONS

Resolution 1 – Report and Accounts
The Directors are obliged to lay the Annual Financial Statements, the reports of the Directors and auditor’s report before shareholders in general meeting.

Resolution 2 – Directors’ Remuneration Report
The Directors are required to seek shareholders’ approval of the Directors’ Remuneration Report as contained on pages 27 to 33 of the Annual Report and Accounts. This resolution is an advisory vote, as permitted by law, and no entitlement to remuneration for the year ended 30 June 2009 is made conditional on the resolution being passed.

Resolution 3 – Declaration of Dividend
This resolution seeks shareholders’ approval for the final dividend of 9.40p per ordinary share recommended by the Directors for payment on 27 November 2009 to shareholders on the register at the close of business on 6 November 2009.

Resolution 4 – Appointment of Auditors and Auditors’ Remuneration
The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company to hold office until the next such meeting. This resolution proposes the reappointment of Deloitte LLP as auditors and authorises the Directors to determine the auditors’ remuneration.

Resolutions 5 to 9 – Election and Re-election of Directors
The Directors believe that effective corporate governance, appropriate to the Group considering its size and stage of development, will assist in the delivery of corporate strategy, the generation of shareholder value and the safeguarding of shareholders’ long-term interests. The Directors are committed therefore, wherever it is reasonably practicable, to ensure that the Group is managed in accordance with the principles set out in the revised Combined Code on Corporate Governance (‘the Code’).

Under the Code non-executive directors who have been on the Board for more than nine years should stand for re-election annually. Tony Kouzarides has been a Director of the Company since April 1998 and consequently is standing for re-election at this meeting.

Peter Keen, Tim Dye and Mark Webster will also stand for re-election under provisions set out in the Company’s Articles of Association concerning regular re-election of Directors to the Board.

Mike Redmond is standing for election for the first time as this is the first general meeting of the Company since he was appointed to the Board on 1 March 2009.

Biographical details of the Directors are set out on pages 18 and 19 of the Annual Report and Accounts, which the Board believes is sufficient to enable shareholders to make an informed decision on their elections.

Resolution 10 – Amendments to the Articles of Association
On 1 October 2009 the final remaining parts of the Companies Act 2006 came into force. These changes affect the constitutional documents of all UK quoted public companies. There are other changes which apply only to companies listed on the Official List of the London Stock Exchange, but not on the Alternative Investment Market. As such these changes would not automatically apply to the Company, however the Directors believe that it would be appropriate, in line with best practice, for the Company’s Articles of Association to be amended to reflect these changes also. Given the number of amendments to be made in connection with the latest changes, the Directors consider it prudent to adopt new Articles of Association in order to comply with the Companies Act 2006 in its final implemented form. An explanation of the changes made to the existing Articles of Association is set out in Appendix 1.

Resolutions 11 and 12 – Authority to allot shares and disapplication of statutory pre-emption rights
The Companies Act 2006 prohibits the Directors from allotting new shares without shareholder approval. However, the Articles of Association of the Company do provide for the Directors to be able to allot new shares, subject to the periodic renewal of this power by shareholders. Resolution 11 replaces the existing authority given at last year’s AGM. The total number of shares which the Directors will have the authority to allot will be 10,690,000 ordinary shares of 1p each representing under 30% of the share capital in issue on 2 November 2009. Apart from the issue of securities arising on the exercise of share options, the Directors have no present intention to exercise this authority. The authority in this resolution will expire at the conclusion of the 2010 AGM.

Associated with Resolution 11 is Resolution 12 which is a renewal of the authority granted at last year’s AGM for the Directors to issue ordinary shares for cash otherwise than to existing shareholders in proportion to their existing holdings, notwithstanding the pre-emption provisions of the Companies Act 2006. Resolution 12 asks shareholders to waive such pre-emption rights in respect of the allotment of equity securities having a maximum aggregate nominal value of £17,800 representing under 5% of the Company’s issued ordinary share capital as at the date of this Notice. Apart from the issue of securities arising on the exercise of share options, the Directors have no present intention to exercise this authority. The authority in this resolution will expire at the conclusion of the 2010 AGM.
Resolution 13 – Authority to make market purchases of the Company's ordinary shares

This resolution provides authority from shareholders for the Company to buy its own shares. It specifies that the maximum number of shares that may be purchased is 3,550,000 ordinary shares (approximately 10% of the Company’s issued share capital) and the highest and lowest prices at which they may be bought. Any shares purchased under this authority will either be treated as cancelled or held as treasury shares. Quoted companies, with authorisation from shareholders, may buy and hold their own shares in treasury instead of cancelling them immediately. Shares held as treasury shares can in future be cancelled, re-sold or used to provide shares for employee share schemes. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

This authority will expire at the conclusion of the 2010 AGM and the Company intends to renew this authority annually if approved by shareholders. The Company has no current intention of utilising the buy-back authority if granted but will keep the matter under review, taking into account the cash reserves of the Company, the Company’s share price and the other investment opportunities available to the Company. The authority will be exercised only if the Directors believe that to do so would be in the interests of shareholders generally.

APPOINTMENT OF PROXY

If you do not wish, or are unable, to attend the AGM, but still wish to vote, you may appoint one or more proxies to attend and act on your behalf. A Form of Proxy is enclosed with this Notice which enables you to appoint either the Chairman of the Meeting or someone else of your choice as your proxy to vote on your behalf. A proxy need not be a member of the Company. The following are instructions for use of the form. If you do not come to the AGM and do not appoint a proxy, you cannot vote on the resolutions.

How to complete your Form of Proxy

For convenience the appointment of the Chairman as your proxy has already been included and, if you wish the Chairman to cast your vote, you need not make any changes to the form. If you wish to appoint someone else as your proxy, you should cross out the words ‘the Chairman of the Meeting’ on the form and insert the name and address of the person appointed proxy in the space provided. The proxy is to vote as instructed in respect of the resolutions. Please insert an ‘X’ in the appropriate box alongside each resolution to indicate how you wish your votes to be cast on a poll. In the absence of instructions, the proxy may vote or abstain from voting as he or she thinks fit on the specified resolutions. Unless instructed otherwise, the proxy may also vote or abstain from voting as he or she thinks fit on any other business which may properly come before the AGM. The ‘Vote Withheld’ option on the form is provided to enable you to abstain on any particular resolution. However, it should be noted that a ‘Vote Withheld’ is not a vote in law and will not be counted in the calculation of the proportion of the votes ‘For’ and ‘Against’ a resolution.

If you wish to appoint more than one proxy to attend and act on your behalf at the AGM, please follow the detailed instructions set out in the Form of Proxy.

Your signature

You must sign and date the Form of Proxy in the space provided. In the case of joint members, any one of such members may vote at the AGM and if more than one of such joint members is present either personally or by proxy, the vote of the most senior who tenders a vote will be accepted to the exclusion of the votes of the other registered members. Seniority is determined by the order in which the names stand in the register. If the appointer is a corporation, the Form of Proxy should be executed under its common seal, or signed by a duly authorised officer or attorney. The appropriate power of attorney or other authority should be returned with the form. The return of a completed Form of Proxy will not preclude you from attending and voting in person if you so wish.

Forms of Proxy must be sent to the Company’s Registrars so as to arrive not later than 10.00am on 29 October 2009.

Appointing a proxy via the CREST system

To appoint a proxy or to give or amend an instruction to a previously appointed proxy via the CREST system, the CREST message must be received by the issuer’s agent RA10 by 10.00am on 29 October 2009. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means. CREST Personal Members or other CREST sponsored members, and those CREST Members who have appointed voting service provider(s) should contact their CREST sponsor or voting service provider(s) for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and system timings please refer to the CREST Manual. We may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001. In any case your proxy form must be received by the Company’s registrars no later than 10.00am on 29 October 2009.
APPENDIX 1 – AMENDMENTS TO THE ARTICLES OF ASSOCIATION OF ABCAM PLC ('THE COMPANY')

The following is a summary of the key changes to be made to the Company’s Articles of Association ('Articles') in connection with the provisions of the Companies Act 2006 ('the 2006 Act') which came into force on 1 October 2009.

General
References to the Companies Act 1985 have been updated to references to the 2006 Act to reflect the repeal of the remaining provisions of the Companies Act 1985.

Allotment of shares
The articles concerning the allotment of shares have been updated to reflect the new terminology used in the 2006 Act.

Register of members
The right to suspend the registration of transfers of shares in certified form for 30 days has been repealed.

Conversion of shares into stock
The provisions allowing such conversion have been repealed. The Company did not have any such stock.

Notice of general meetings
Following the implementation of the Shareholders Rights Directive this year, companies listed on the Official List of the London Stock Exchange can only hold general meetings on less than 21 days’ notice if certain conditions are met (21 days notice is still required in any event for an annual general meeting) and general meetings can no longer be held on short notice. Although these provisions do not automatically apply to companies listed on the Alternative Investment Market, such as the Company, your directors believe it would be appropriate, to reflect best practice, for the Articles to provide that the Company’s general meetings will be held on 21 days notice.

Further requirements have also been specified in relation to the contents of notices convening general meetings.

Results of a poll
Results of any poll taken at a general meeting are to be published on the Company’s website.

Voting rights at general meetings
The 2006 Act allows a shareholder to appoint more than one proxy or (in the case of a corporate shareholder) more than one corporate representative. The position with regard to the voting rights of multiple proxies and multiple corporate representatives has been clarified.
