(i) up to a maximum nominal value of £137,163; and

Abcam plc Notice of Annual General Meeting 2019

Registered office:
Discovery Drive
Cambridge Biomedical Campus
Cambridge CB2 0AX
Explanatory notes to the business of the AGM

Ordinary business
Resolution 1 – Report and accounts
The Directors are obliged to lay the annual financial statements, the reports of the Directors’ and the Independent Auditor’s Report before shareholders each financial year at a general meeting. These reports are contained in the Company’s Annual Report and Accounts 2019, which is available on the Company’s website: www.abcamplc.com.

Resolution 2 – Declaration of dividend
This resolution seeks shareholders’ approval for the final dividend of 8.58 pence per ordinary share recommended by the Board. If approved the recommended final dividend will be paid on 29 November 2019 to shareholders on the register of members at the close of business on 8 November 2019.

Resolution 3 – Annual Report on Remuneration
In accordance with section 439 of the Companies Act 2006 (Act), this resolution seeks shareholder approval of the Annual Report on Remuneration as contained on pages 80 to 86 of the Annual Report and Accounts 2019. It sets out the pay and benefits received by each of the Directors for the year ended 30 June 2019. In line with legislation this vote will be advisory and in respect of the overall remuneration package.

Resolutions 4 and 5 – Appointment of auditor and auditor’s remuneration
The Company is required to appoint an auditor at each general meeting at which accounts are laid before the shareholders to hold office until the next such meeting.

Resolution 4 proposes the re-appointment of PricewaterhouseCoopers LLP (PwC) as auditor of the Company. PwC has indicated that it is willing to continue to act as the Company’s auditor for a further year. The Audit and Risk Committee has reviewed PwC’s effectiveness and the effectiveness of its audit process and recommends its re-appointment.

Resolution 5 seeks shareholder consent for the Audit and Risk Committee to set the remuneration of the auditor.

Resolutions 6 to 12 – Election and re-election of Directors
The Directors believe that effective corporate governance, appropriate to the Group’s size and stage of development, will assist in the delivery of corporate strategy, the generation of shareholder value and the safeguarding of shareholders’ long-term interests.

The Directors are committed, therefore, wherever it is reasonably practicable, to ensure that the Group is managed in accordance with the principles set out in the UK Corporate Governance Code (Code) as such principles apply to businesses that are listed on the Main Market of the London Stock Exchange and of an equivalent size to the Company. Accordingly, all members of the Board will stand for re-election in accordance with the Code.

Biographical details of the Directors standing for re-election are set out on pages 58 and 59 of the Annual Report and Accounts 2019, including the reasons why their contributions are, and continue to be important to the Company’s long term sustainable success. The Board believes this information is sufficient to enable shareholders to make an informed decision on their elections.

Special business
Resolution 13 – Authority to allot shares (ordinary resolution)
The Act prohibits the Directors from allotting new shares without shareholder approval. However, the Articles of Association of the Company do provide for the Directors to be able to allot new shares, subject to the periodic renewal of this power by shareholders. Resolution 13 replaces the existing authority given at last year’s AGM. Resolution 13 proposes granting the Directors’ authority to allot shares and grant rights to subscribe for, or convert any security into, shares (i) up to an aggregate nominal amount of £137,163 and (ii) in connection with a rights issue up to an aggregate nominal amount (reduced by allotments under part (i) of the resolution) of £274,326. The nominal amounts to which this authority relates represent approximately one-third and approximately two-thirds respectively of the issued ordinary share capital of the Company as at the date of this Notice. Apart from the issue of securities arising on the exercise of share options, the Directors have no present intention to allot new shares except to fulfil the Company’s obligations under its executive and employee share plans. The authority in this resolution will expire at the conclusion of the Company’s next AGM (or, if earlier, 15 months after the date of passing the resolution).

Resolutions 14 and 15 – Disapplication of pre-emption rights (special resolutions)
Associated with resolution 13 are resolutions 14 and 15, which will give the Directors power to issue ordinary shares for cash in certain circumstances otherwise than to existing shareholders in proportion to their existing holdings, notwithstanding the pre-emption provisions of the Companies Act 2006.

These disapplication authorities are in line with institutional shareholder guidance, and in particular with the Pre-Emption Group’s Statement of Principles (the “Pre-Emption Principles”) which allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority over five per cent of a company’s issued share capital for use on an unrestricted basis; and (ii) an additional authority over a further five per cent of a company’s issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or has taken place in the six month period preceding the announcement of the issue.
Resolution 14 will permit the Directors to allot:

- equity securities for cash and sell treasury shares up to a nominal amount of £274,326, representing two-thirds of the company’s issued share capital as at the date of this Notice on an offer to existing shareholders on a pre-emptive basis (that is including a rights issue or an open offer), with one-third being available only in connection with a rights issue (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the Directors see fit); and
- equity securities for cash and sell treasury shares up to a maximum nominal value of £20,574, representing approximately 5% of the issued ordinary share capital of the Company as at the date of this Notice, otherwise than in connection with a pre-emptive offer to existing shareholders.

Resolution 15 will permit the directors to allot additional equity securities for cash and sell treasury shares up to a maximum nominal value of £20,574, representing approximately a further 5% of the issued ordinary share capital of the Company as at the date of this Notice, otherwise than in connection with a pre-emptive offer to existing shareholders for the purposes of financing or refinancing a transaction as contemplated by the Pre-Emption Principles described above.

The Directors consider the authorities in resolution 14 and resolution 15 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions. Apart from the issue of securities arising on the exercise of share options, the Directors have no present intention to allot new shares. The authority in this resolution will expire at the conclusion of the Company’s next AGM (or, if earlier, 15 months after the date of passing the resolution).

The Board intends to adhere to the provisions of the Pre-Emption Group’s Statement of Principles not to allot shares for cash on a non-pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three-year period other than after prior consultation with shareholders.

Resolution 16 – Purchase of own shares by the Company (special resolution)

This resolution seeks authority from shareholders for the Company to buy its own shares. In certain circumstances it may be advantageous for the Company to purchase its own shares and the Directors consider it to be desirable for this general authority to be available to provide flexibility in the management of the Company’s capital resources. Purchases of the Company’s own shares will be made only if it were to be in the best interest of the shareholders generally. You are asked to consent to the purchase by the Company up to a maximum of 20,574,494 ordinary shares of 0.2 pence each (approximately 10% of the Company’s issued share capital as at the date of this Notice) and the highest and lowest prices at which they may be bought. Any shares purchased under this authority will either be treated as cancelled or held as treasury shares. Shares held as treasury shares can in future be cancelled, re-sold or used to provide shares for employee share schemes. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

The authority sought under this resolution will expire at the conclusion of the Company’s next AGM (or, if earlier, 15 months after the date of passing the resolution) and the Company intends to renew this authority annually if approved by shareholders. The Company may consider utilising the buy-back authority if granted but will keep the matter under review, taking into account the cash reserves of the Company, the Company’s share price and the other investment opportunities available to the Company.

The Directors have no present intention to exercise this authority and will only do so if and when conditions are favourable with a view to enhancing net asset value per share.

Notes

1. A member entitled to attend and vote at the AGM may appoint one or more proxies (who need not be members of the Company), provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him or her, to attend, to speak and, on a poll, to vote on his or her behalf. A Form of Proxy is enclosed for use by shareholders. In order to be valid, a proxy appointment must be returned (together with any authority under which it is executed, or a copy of the authority certified in ink by a bank, a stockbroker or a solicitor) by one of the following methods:

- in hard copy form by post, by courier or by hand to the Company’s registrar, Equiniti, at the address shown on the Proxy.
- online at www.sharevote.co.uk where full instructions on the procedure are given. The Voting ID, Task ID and Shareholder Reference Number printed on the Form of Proxy will be required to use this electronic proxy appointment system. Alternatively, shareholders who have already registered with Equiniti’s online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk using their user ID and password. Once logged in click ‘View’ on the ‘My Investments’ page, click on the link to vote and then follow the on screen instructions.

The appointment of a proxy in each case must be formally received by the Company’s registrar by no later than 2.30pm on Monday 11 November 2019.

Appointment of a proxy does not preclude a member of the Company from attending the AGM and voting in person. If you wish to attend the AGM in person, please bring with you the Attendance Card accompanying this Notice. This will authenticate your right to attend, speak and vote at the AGM and assist us in registering your attendance without delay.
2. Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained below:

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK and Ireland Limited’s (Euroclear) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in these notes. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

3. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, in order to be able to attend and vote at the AGM or any adjourned meeting (and also for the purposes of calculating how many votes a person may cast), a person must have his/her name entered on the register of members of the Company by 6.30pm on 11 November 2019 (or at 6.30pm two working days before the time appointed for holding any adjourned meeting). Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

4. As at 24 September 2019 (being the last practicable business day prior to the publication of this Notice), the Company’s issued share capital consists of 205,744,941 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 24 September 2019 are 205,744,941.

5. You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in this Notice of Meeting (or in any related documents including the Chairman’s letter and Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

6. The Executive Directors’ service contracts and the Chairman’s and Non-Executive Directors’ service contracts and/or letters of appointment are available for inspection during normal business hours at the registered office of the Company on any weekday (Saturdays, Sundays and public holidays excepted) from the date of this Notice until the date of the AGM and will also be available for inspection at the place of the AGM from 2.15pm on the day of the meeting until the conclusion of the meeting or any adjournment thereof.

7. Under section 338 of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company’s constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than the date which is six clear weeks before the AGM, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

8. A corporation which is a shareholder may appoint one or more corporate representatives who may exercise on its behalf all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
